October 15, 2018

Members present were Wayne Stevenson, Gary Cribbs, Denny Shoff, Sean Lacey, Lane Whigham, Vic Barrick and Marcia Leeds. Also present was our Engineer, Paul Wilson, Dawood.

Wayne Stevenson called the meeting to order at 7:00 p.m., followed by the Pledge of Allegiance to the Flag.

Gary Cribbs made the motion to accept the September minutes, as presented, seconded by Vic Barrick. Yes-7 No-0

Return to Environment presentation will be offered at our November meeting.

Our entire meeting concentrated on the water problems that our residents are experiencing. The cause of this problem is the run-off that is coming from the established warehouses as well as the one that is under construction.

Our residents are losing property usage from soil erosion , as well as damage to waterways.

This problem needs immediate attention from our Supervisors. We were assured that action would be taken ASAP.

Sean Lacey made the motion to adjourn at 8:02 p.m., seconded by Gary Cribbs.

Respectfully submitted,

Marcia Leeds, Secretary

Zoning Article VII I will be discussed at our November meeting.
