November 19, 2018

Members present were Gary Cribbs, Denny Shoff, Wayne Stevenson, Sean Lacey, Vic Barrick, Lane Whigham and Marcia Leeds. Paul Wilson, Dawood, was also present .

Wayne Stevenson called the meeting to order at 7:00 p.m., followed by the Pledge of Allegiance to the Flag.

The minutes for our October meeting were approved, as presented, by a motion from Gary Cribbs, seconded by Denny Shoff. All approved.

Return on Environment Study—John Rogers made the presentation. He explained how our natural resources , outdoor recreation and open space affect our residents in various ways. Several ways that our township residents benefit is in lower medical costs and better health.

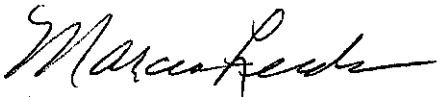

Paul Wilson arrived at 7:55 p.m.

The water problems that our residents are experiencing of run-off from warehouse sites, both present and future buildings, are of great concern of our Supervisors and Planning Commission members. Since there doesn't seem to be any help with this situation from outside sources, discussion as to where we can proceed is our objective.

At our December meeting we will be discussing a possible Well Ordinance as well as Zoning.

Motion to adjourn at 8:10 p.m. by Sean Lacey and seconded by Vic Barrick.

Respectively submitted,

Marcia Leeds, Secretary
